#### CERTIFICATE OF AUTHENTICITY

This film is done in accordance with the following Myoming State Laws:

- Session Laws of Wyoming 1953, Chapter 81, Uniform Photographic Copies of Business and Public Records as Evidence Act.
- Session Laws of Wyoming 1953, Chapter 143, Section 11, Transfer of Records to Archives and Historical Department.
- Session Laws of Myoming 1959, Chapter 77, State Archives and Historical Department.

This is to certify that the microphotographs appearing on this film were microfilmed by the Myoming State Archives and Historical Department, Archives and Records Division, in the regular course of business of photography.

The original documents were created in the normal course of business by the originating department. They have been filmed in the order in which they were delivered to the Archives and Records Division with the exception if any, of documents omitted because of technical difficulties and/or by error, as indicated on the film by the retakes.

The microphotographs of documents on this roll of film which have been retaken because of illegibility or omission will be found spliced to the end of this roll of film. Retaken frames on the original film are identified by a perforated mark.

The Wyoming State Archives and Historical Department assumes no responsibility for violations of copyright or patent on any materials photographed heroon. This responsibility rests with the department or person requesting the filming of the records in violation.

This film is of quality meeting the requirements of the National Bureau of Standards for permanent microphotographic copy.
